MEDICINE AND CONCIERGE PRACTICE

WHAT IS DPC?

DPC - Direct Primary Care - brings medicine back to the basics and allows it to be practiced in a way that truly permits the physician to spend time getting to know their patients while creating lasting relationships. DPC restores the doctor-patient relationship by putting patients first and helping them and their loved ones live in a way that is sustainable, healthy, and affordable.

- No insurance needed.**
- No fee-for-service payments.**
